

PIERRE DE COUBERTIN SCIENCE FAIR 2020

Tuesday, January 7th, 2020

Dear Parents,

Pierre De Coubertin will be holding its annual **Science Fair** on Wednesday, April 15, 2020 for judging and Thursday, April 16, 2020 for the viewing. We hope that everyone is looking forward to this event, whether you will be a participant or a visitor to the fair.

In order to prepare for this year's Science Fair, the Science Committee would need to know how many children will be participating in the fair. If your child is interested in taking part in the Science Fair, whether alone or with a partner, please check off the appropriate choice below. A maximum of 2 members is allowed per team, and the team members must be within the same cycle. Please remind your child that when undertaking this project, it should be seen to the end (**once committed, the children should not pull out**). When deciding on the project, please keep in mind that there will be no sharing of foods or bringing in live animals. Once registered, the students will receive a booklet with the details pertaining to the event.

We will have finalists that will represent Pierre De Coubertin School at the Hydro-Quebec Regional Science Fair in May.

The Science Fair is on a voluntary basis, and is open to all students from grade 1 to grade 6.

The Pierre De Coubertin School Science Committee is working hard to make this year's Science Fair a most successful and enjoyable one. Our goal is to have children feel comfortable with science and to gain scientific knowledge.

Please return the **coupon** by **January 17** to the classroom teacher.

Sincerely,

Ida Pisano
Principal

Michael Guerriero
Interim Vice Principal

SCIENCE COMMITTEE

SCIENCE FAIR 2020 REGISTRATION FORM

Child's Name: _____ Class: _____

_____ **will participate** in the 2020 Science Fair

If working in pairs, please indicate the name of the student your child will be working with:

_____ Class: _____

Project Name: _____
